

Friday 7th July

Dear Parents / Carers,

It is with great pleasure that I write to you today. Alongside this letter, you will find a copy of our most recent Ofsted report.

It is now official: we are a **GOOD** school, in all areas.

Thank you all for your support, it makes a huge difference. A massive well done to all our children who are fantastic and a credit to you. And finally, a thank you to all my wonderful staff who have worked tirelessly to support your children in their learning journey.

Highlights from the report include:

- Beaminster St Mary's Academy is a highly positive, vibrant school community.
- Pupils enjoy coming to school and are motivated to learn.
- Strong relationships between staff and pupils mean they feel safe and happy.
- It was highlighted that pupils behave well and staff have high expectations.
- Pupils are adamant that bullying does not happen at the school.

There are many more positives, so please do take the time to read the report in full.

Like all Ofsted reports, we knew there would still be some areas to improve and, rest assured, we have been working on these and will continue to do so.

Once again, thank you all for your continued support.

Yours sincerely,

Mr. Marklew

Headteacher
